

Same Name

One chilli morning at the North Pole there were two candy canes named bob and bob. "Morning bob" "morning bob" "grrr stop coping me." They went outside and noone was there only cranes. They said "whats happening" "Bob" "grr stop coping me. Arrr zombie kids run stop coping me." There one way to eat them says Bob "well we wont eat them." They used a crocodile. One by one the croc ate them. Safe at last then the crocodile ate them. The end
